KNOX SEEKS SEPARATION OF LEAGUE AND TREATY

FOUR MOTHERS STILL MOURN MISSING SONS AS MYSTERY SOLDIER REVEALS IDENTITY

Roland Phillips Is Son of None Who Meet Him on Pier.

ONE WOMAN COLLAPSES

Youth Is Angriily Accused of Deception by Rev. Dr. MacLeod.

Roland Phillips, private, came home to-day from France and accomplished an arrival at Hoboken from the transport Mount Vernon more dramatic than that which has accompanied the return of any soldier who went overseas. Four families awaited the homecoming of this Roland Phillips—four mothers held hopes that he might be their son, and when he stepped ashore his mother was not there to greet him. He proved to be Roland Phillips, twenty-two years old, of Evansville, Ind., off the records of the army as mentally incompetent, although he appeared to be alert in mind when he was questioned by the army officers.

AWAITING ARRIVAL OF THE MOUNT VERNON

At the arrival of the Mount Vernon at Hoboken were Rev. Dr. MacLeod, pastor of the Collegiate Reformed Church, and his two daughters, and Mrs. Roland Phillips, of Flushing, L. I. Outside the pier, and not particularly hopeful, was Mrs. F. X. Lynch, of Yonkers, whose son has dropped out of knowledge of the army in France. Dr. MacLeod had received letters from Europe signed "Blakely," which had led him to believe that the Roland Phillips arriving to-day might be his son, Henry Blakely MacLeod, who disappeared a year ago from Camp Merritt. Mrs. Phillips, of Flushing, cherished a forlorn hope that reports she had received of the death of her son Roland in action in France might have been wrong.

DUQUESNE ESCAPED BY THE FRONT DOOR, SWANN ASSERTS

District Attorney Asks Mayor For \$1,000 Reward In Bellevue Case.

District Attorney Swann this afternoon asked Mayor Hylan to offer \$1,000 reward for information concerning "the persons who helped in the escape of Capt. Fritz Joubert Duquesne from the prison ward of Bellevue Hospital two weeks ago.

LEE, ATTACKING BOY SCOUTS, STIRS ANGER OF ALDERMAN

"Bill" Kenneally Makes Heated Reply to Socialist, Causing Considerable Excitement.

Algeron Lee, Socialist leader, created excitement at this afternoon's meeting of the Board of Aldermen when he declared the Boy Scout movement tended to implant militarism in the minds of young men and had a tendency to lay the seeds of future wars.

Up jumped Alderman "Bill" Kenneally, Tammany representative from the old gas house district, who about a year ago shook his fist at Lee and told him he was ready to go to the gallows for the murder of a man who insulted the Stars and Stripes. Glaring across the aisle at Lee, Kenneally said: "I think the Boy Scout movement is one of the finest ever conceived in this country."

YOUNGER JURYMEN SOUGHT IN WILKINS TRIAL FOR MURDER

Aged Physician Appears More Confident as Court Adjourns Until To-Morrow.

(Special to The Evening World from a Staff Correspondent.)

MINEOLA, L. I., June 10.—With twenty-five additional talesmen summoned on a new panel as candidates for the jury in the trial of the white-bearded, benevolent-looking Dr. Walter K. Wilkins for wife murder, it was found impossible to-day to obtain any additional jurors.

The desire of both sides to get a few young men in the jury box was shown in the rapid rejection of the first four talesmen who were near the age of fifty years.

Court adjourned at 11:30 o'clock this morning after the panel had been exhausted and will convene to-morrow morning with a fresh panel of sixty.

The first six jurors chosen yesterday are all past fifty except one, who is well over forty.

The fifth talesman called to-day, Charles A. Wood, a young grocer, was excused because Justice Manning thought his business would worry him in the jury box.

Another young man, Alfred S. Simmondson of Wheatley Hills, was excused for prejudice.

Before proceeding to the business of the day Justice Manning officiated at a wedding in the library of his chambers. Private Charles J. Casey of Camp Mills became the husband of Miss Teresa Rose Carbone of Jamaica.

Woman Whose Husband Paid Her \$75,000 for New Phone Girl Wife

MRS. FRANCES B. DOUGHERTY.

\$75,000 PAID OUT BY SHIP BROKER FOR A NEW WIFE

Settlement Reached Out of Court in Alienation Case Over Phone Girl Bride.

By a settlement reached out of court to-day it cost Theodore Dougherty of the firm of J. F. Whitney & Co., ship brokers, No. 10 Bridge Street, \$75,000 to take unto himself a second wife. And, stranger yet, the money all goes to the shipping man's first wife, Frances B. Dougherty of Bethel, Conn.

When the first Mrs. Dougherty's alienation suit for \$100,000 against Mrs. Ruby Buchanan Dougherty, former Waldorf Astoria telephone girl, and second wife of Dougherty, came up for trial to-day before Supreme Court Justice Hotchkiss, it was announced that the case had been settled. Attorneys for both sides refused to divulge the terms of settlement, but from a close friend of Mrs. Dougherty, No. 1, it was learned that the settlement was \$25,000 paid by Dougherty.

Mrs. Frances Dougherty had already received \$42,000 in lieu of her dower rights and \$20 a week alimony. This was in 1917, and as the alimony has gone on steadily the total payments by Dougherty amount to \$75,000.

In addition Mrs. Frances Dougherty has received a divorce. The couple became estranged in the early part of 1917, when Mrs. Dougherty discovered that on business trips taken by her husband he was accompanied by the former telephone girl. One day she read in a Jersey newspaper that a Mrs. Theodore Dougherty had settled an automobile accident suit for \$2,700 with Oscar Hurley of Hall, N. J. Mrs. Dougherty—the real Mrs. Dougherty at that time—investigated and found that the "Mrs. Theodore Dougherty" who was sued as the result of the automobile accident was in reality Miss Buchanan.

KNOX ASKS SENATE TO VOTE AGAINST ACCEPTING LEAGUE

Introduces a Resolution Urging That the Covenant Be Separated From Treaty.

WASHINGTON, June 10.—A resolution to have the Senate declare it could not concur in the League of Nations provisions of the Peace Treaty as now drawn was introduced to-day by Senator Knox, Pennsylvania, Republican, of the Foreign Relations Committee.

The resolution, which is expected to bring to a more definite stage the fight being made against the League covenant, asks that the covenant be separated from the Peace Treaty before being submitted to the Senate for ratification.

At the request of Senator Knox, who announced he would later discuss it in the Senate, the resolution was referred to the Foreign Relations Committee.

The resolution was offered after a conference with Chairman Lodge, of the committee, and there were evidences that it would have the backing of most of those who have conducted the fight against the league. Knox, explaining the purpose of his resolution, said it is to afford an opportunity for the American people to hear all the facts about the League and then express their deliberate judgment on it, while at the same time permitting the ending of the war and the participation of the United States in the making of peace.

"The Senate will regard as adequate for our national needs," says the resolution, "a peace treaty which shall assure to the United States attainment of those ends for which we entered the war, and will look with disfavor upon all treaty provisions going beyond those ends."

The Knox resolution also would declare it the policy of the United States Government, in order to meet fully and fairly our obligations to ourselves and to the world, that the freedom and peace of Europe, being again threatened by any power or combination of powers, the United States will regard such a situation with grave concern as a menace to its own peace and freedom.

In such an event the Knox resolution proposes that the United States will consult with other powers affected with a view to devising means for the removal of such menace and will, in the necessity arising in the future, carry out the same complete and cord and co-operation with our chief co-belligerents for the defense of civilization.

SAVANNAH LINER SAFE AFTER BARNEGAT GROUNDING

Vessel Pulls Off Shoal Undamaged Before Arrival of Rescue Tug.

The steamship City of Savannah, with 145 passengers and cargo, from Savannah, Ga., for New York, which went ashore in the fog off Barnegat, N. J., at 1 A. M. to-day, was floated later and reached Sandy Hook at 3:32 A. M., docked here later this morning.

She was proceeding slowly in a comparatively calm sea and rested easily after she struck, but the captain sent out a wireless call for a tug to help get her free. The message was picked up by the Navy and a Merritt & Chapman tug was sent to her aid.

BIG FOUR TAKES UP REPORTS OF PEACE COMMISSIONS ON REPLY TO GERMAN PROPOSALS

Allies to Seize \$5,000,000,000 of Liquid German Assets Now and Take \$25,000,000,000 More in Gold After Two Years, Latest Plan.

PARIS, June 10.—The Big Four had before them to-day reports of Allied Commissions regarding the German counter proposals.

Eleven of the commission have turned in their final report, while five others—studying Germany's eastern frontiers, Belgium's claims, the Schleswig question and various phases of the economic terms—are practically complete and are expected to be included in the reply to be submitted to the German delegates on Friday.

GERMANS TO SIGN TREATY BEFORE FIRST OF JULY, FORECAST FROM PARIS

Various Parliaments Are Expected to Ratify the Pact Before Aug. 1.

PARIS, June 10. THE signing of the Peace Treaty by Germany before July 1 and its ratification by the various parliaments before Aug. 1 is predicted to-day by the Echo de Paris.

It expects the answer to the German counterproposals to be handed over probably on Friday. The course of the Germans, it thinks, will be to replace the Scheidemann Government by another in case the present government determines not to sign the terms as the Allies finally present them.

GERMANY TAKES STEPS TO PUT DOWN A REVOLT

Leaders Say There Is No Danger, but Noske Is Taking No Chances.

BERLIN, June 10 (United Press).—Despite the doubt cast by Government leaders on the well advertised rumors of a forthcoming "people's coup" to overthrow the present regime, War Minister Noske is taking no chances. His Guards—the "iron-handed rulers of Berlin"—are in readiness for any eventuality. He has personally undertaken the task of assuring their loyalty through increased pay and other concessions.

While a refusal to sign the Peace Treaty undoubtedly would lead to resignations from the present Cabinet, or perhaps even a complete overthrow of the Government, there is a feeling that considerable reorganization is certain in any event. It is this feeling of uncertainty that has led Noske to prepare to avert anything approaching the bloody days of last winter.

Press reports are alternately optimistic and pessimistic regarding modification of the treaty. The Freiheit to-day published an alleged secret order from the General commanding demobilization depots requiring all troops in those camps to stand in readiness to aid the Volunteer Guards. The order, it was said, explained that further unrest in Berlin is expected.

One—Fiume will be made a free city, under protection of the League of Nations, together with considerable surrounding territory, which becomes a free state. Two—Sobonico will go to the Jugo-Slavs. Three—Zara will become a free city under Italian control. Four—Certain Adriatic islands adjacent to the Jugo-Slav coast will be awarded to Italy. Five—A plebiscite will be held in five years to determine whether the people of Fiume and the surrounding free territory desire to remain under the League of Nations, or become subject to either the Italians or the Jugo-Slavs.

Both Sobonico and Zara were given to Italy by the Pact of London. The plan has been submitted to the Jugo-Slavs, and it is believed they will accept. The Austrian delegation at St. Germain has asked Germany to protect the people of Fiume and the surrounding free territory against the peace terms presented to Austria, the Havas Agency says. The reported action of the Austrians is unfavorable commented upon here.
